# Music, when Soft Voices die

Music, when soft voices die,  
Vibrates in the memory;  
Odours, when sweet violets sicken,  
Live within the sense they quicken.

Rose leaves, when the rose is dead,  
Are heap'd for the beloved's bed;  
And so thy thoughts, when thou art gone,  
Love itself shall slumber on.

Percy Bysshe Shelley

\* The piano part is only required in the event an 8-part texture cannot be achieved, *a cappella*. In that instance, all singers should sing the first choir parts, and the piano played both dampened and sustained.
